

Birthday Parties

Join us for a party at Shropshire Hills Discovery Centre and take the stress out of arranging your child's celebration.

One of our dedicated team will lead a session with the children for 1 - 1½ hours.

Prices start from just £110 for 8 children with additional children being £6.50 each for up to a maximum of 15 children. Maximum of 12 children for biscuits, fairy cakes and pizza activities.

During the visit everyone will enjoy a party meal, provided by our fantastic catering team, in a private room.

Choice of sausage or battered chicken fillet with chips and a vegetable platter of cucumber and carrot sticks. Selection of homemade shortbread/flapjacks.

For more information or to book contact us on 01588 676 060 or info@shropshirehillsdiscoverycentre.co.uk

Entrance to the Shropshire Hills Through Time Exhibition is included in the party package

Suitable for all:

- **Pond Dipping** - (spring/summer only) you never know what you'll find in your net!
- **Three Little Pigs** - Can you construct a house of sticks to stand up to the wolf's huffing and puffing? Enjoy delicious marshmallows toasted on a campfire. A ratio of one adult to two children is essential for this activity.
- **Purple Prickles and Poisonous Warts** - Take part in the story after building homes for each of the animals in the deep dark woods then go on a scavenger hunt to find food and signs of these animals out in the meadows.
- **Men of Sticks and Lady Loves** - Hear a well loved story, go outside, find just the right sticks and make a man or woman to have adventures and take home with you.
- **Biscuit Baking Bonanza** - Choose from many shapes while making biscuits and then after they cool, decorate them.

Suitable for 6 - 11 year olds

- **Fossils and Mammoths** - find out about the Shropshire Mammoths, learn about fossils and then make one to take home.
- **Slime Workshop** - find out why slime is so important to living things and make your own sticky slime to take away.
- **Star Wars Academy** - Do you have what it takes to become a Jedi? You will be put through your Jedi trials - self-discipline, agility, lightsabre training.
- **Hogweed's School of Magic** - an invitation for young witches and wizards to brush up on their herbology, communication, potion and spell making skills.
- **Fairy Cake or Pizza Making** - Choose to make fairy cakes of different flavours and colours or individual pizzas with your choice of toppings.
