# Cafe Menu

Welcome to our café.

We hope you enjoy our range of home made dishes.

We aim to bring you a taste of the local area by using small local suppliers who farm the Shropshire Hills.

By going local, you are helping to sustain the local economy and shape the landscape.

Much of the food on the menu is produced and reared within the Shropshire Hills, hence our slogan "Eat the View".

## Cakes - Lunches - Coffees - Shropshire Cream Teas

Take a look at our chalkboard at the café servery to find out about our dishes of the day. Once you have made your selection, please order your food and drinks at the counter.

As a small charity, all the money you spend here goes back into ensuring that we can keep the buildings and meadows open for future generations to enjoy.
