Run as a fund-raising event by the local charity, Grow Cook Learn, which manages the Centre, this is a mass participation challenge run/walk taking in some of the finest parts of the Shropshire Hills Area of Outstanding Natural Beauty (AONB). The route is 42 KM (26 miles) in length and is to be completed in under 12 hours. The route follows footpath and bridleway with only a few short stretches of quiet lanes.

Along the way, as you pass through our check points, you will be able to sample some of the wonderful local produce that this area has to offer- hence our slogan "eat the view". The charity is committed to connecting people to the food, history and landscape of the Shropshire Hills so this event is the perfect way of achieving this whilst raising much needed funds for the charity to continue its work.

Section 4 Registration

Registration will take place at the Shropshire Hills Discovery Centre between 06.30 and 07.30. At registration, you will be required to show that you have all the mandatory kit needed for the event (see section 5).

Once you have passed kit check, you will be issued with a tally. This will entitle you to food and drink along with first aid services at our checkpoints. Look after it as you will need to get it clipped at each of the checkpoints and at the finish to prove you have completed the course.

After you have registered, tea, coffee and breakfast baps will be available to buy and there is seating in the Centre and outside. The event starts at 08.00 prompt and all entrants will need to be at the start at 07.45 for the event briefing.

Section 5 Kit List

This list has been designed for your own safety and comfort. As part of our risk assessment, we are obliged to ensure that every entrant is carrying all this mandatory kit, so please make sure you have everything listed below. Without it, we will not be able to allow you to take part. THERE WILL BE NO EXCEPTIONS, SO PLEASE DON'T RISK IT. IF YOU ARE UNSURE ABOUT ANY ASPECT OF THIS, PLEASE CONTACT US.

Outdoor Depot, our local outdoor specialist, stock all of this kit and everything else you may need at their shop in Church Stretton and online at www.theoutdoordepot.co.uk

Mandatory Kit list

- A map covering the whole route. (See section 8) You are welcome to use a GPS, but this is not mandatory.
- A whistle (6 blasts is the distress signal)
- A fully charged mobile phone
- Clothing suitable for the prevailing conditions.
- Suitable trail shoes or walking boots with good grip. Road shoes will not be allowed.
- A mug if you require a hot drink(The event is single-use plastic free, so disposable cups will not be available at checkpoints)
- Water containers for at least 1litre of fluid. Remember that there are at times 12km between checkpoints. You will need to carry enough water to get to each checkpoint.

You are of course welcome to bring any additional items that you feel you may need to make life more comfortable, such as personal medication, spare socks, additional food, a spare t-shirt or any other items which you normally carry. Remember, you are not allowed to have supporters bring kit or supplies to you on the route, so please ensure you have everything with you.

Section 6 Event Rules

These rules have been designed to make the event safe, fair and enjoyable for everyone. We want you to enjoy your day with us, and it is not our intention to be too strict, but for such an event to run smoothly and safely, there needs to be a code for everyone to adhere to, so please take care to abide by them.

1. To take part, you must be registered on the event. At registration, you will need to satisfy our officials that you have all the mandatory kit and that you are sufficiently well prepared for the event; you will then be issued with a tally which will entitle you to food and first aid support at our check points.
2. **Dogs.** April is lambing time and after discussions with landowners, we must insist that dogs are not permitted this event. Sorry for any inconvenience this may cause.
3. **Retirement.** You can only retire at one of our official checkpoints. If you retire, you will need to hand in your tally, and we will organise for you to be taken back to the Centre. If, in extreme circumstances, any competitor retires from the event at any other point on the route, they will not be eligible for any support from the event committee and will need to organise their own transport. They must inform the event organiser immediately as our sweep team may be wasting valuable time looking for them. They will be deemed to be no longer eligible to take part in the event.
4. All checkpoints have a closing time. These times have been calculated to accommodate all competitors who are on schedule to finish the event within the allotted time, with some contingency built in. After this time, the checkpoint will close. There can be no exceptions to this rule as it is there for your own safety. **If you arrive at a checkpoint after its closing time or if you are deemed unfit to continue by our checkpoint staff, you will be retired from the event and transported back to the Centre.**
5. **Navigation and getting lost.** The route follows well used and well waymarked paths, but it is your responsibility to navigate between checkpoints. The course is not marked. We provide all entrants with GPX files and a written route description, and each entrant will need to carry a map covering the entire route. GPS devices cannot always be relied upon as the signal is poor in many areas, so it is essential that you have the ability and confidence to navigate yourself around the course. You are welcome to "recce" the route in advance to help with navigation. At each checkpoint, either self-clip or manned, you must clip your tally.

If you do become lost, please call the event organiser. The number is on your tally and we may be able to get you back on track. You may wish to consider buddying up with others to share the burden of navigation, but this is not compulsory.
6. **Follow the countryside code:**
 - Please respect the people who live and work along the route. The support of farmers and landowners is essential to the event's future success.
 - Please leave no litter
 - Keep quiet when near residential property.
 - Remember to close all gates after you. We do not want complaints from farmers about escaped livestock.
 - Do not pick wildflowers and do not disturb wildlife.
 - Please be respectful to other people along the way.
 - Please stick to official footpaths, bridleways and roads. Do not take shortcuts across farmland.
 - Please do not approach livestock, even if they look distressed. Give them a wide berth and do not put yourself between parent and offspring.
7. **Supporters.** You are welcome to invite friends and family to cheer you on, but assistance from them in the form of supplying drinks or equipment is not allowed. This is to ensure that nobody has an unfair advantage over others. Please do not invite supporters to CP3, Little Stretton, as there is no parking available.
8. **Food and drink** See section 7 for details of what refreshments are provided at the checkpoints. All our food is prepared by us and is both plentiful and good quality. We take pride in providing great quality food for veggies, vegans and people with food allergies.
9. **Injury on the route.** In the event of injury, we have a vehicle on hand to repatriate retirees from checkpoints to the Centre. All our staffed checkpoints have a qualified first aider. If you get injured on the route, please call the telephone number on your tally and we will endeavour to help you, please note that the committee do not offer an emergency response service and in the event of serious injury, you should ring 999.

9. In order to complete the event, you will need to visit all the checkpoints in turn, clipping your tally at each one. When you return to the Centre, you will hand in your tally which will be checked. **Any tallies which are incomplete will result in a "did not finish" being issued.** The event organiser will then issue you with your event souvenir and certificate. At 20.00, the event will finish, and all services offered will be withdrawn.
10. **Refunds and cancellations.** Our refunds and cancellations policy can be found on the SW80K Festival pages of our website at <https://www.shropshirehillsdiscoverycentre.co.uk/>
11. In the extremely unlikely event of us having to cancel the event, we will offer a deferred entry until the next event or a refund in full.
12. Risk assessments. There is a full risk assessment in place for the event. If you would like to see a copy, please email us at the address above.
13. Anyone who is in breach of these rules will be awarded a "did not finish" regardless of their time.

Section 7 Checkpoints

Our checkpoints are either self-clips, water stations or full-service checkpoints. The self-clips are unstaffed, the water stations may be staffed but only offer cold drinks. The full-service checkpoints offer hot or cold food, sweet and savoury snacks, squash, water, coke, tea, coffee, shelter and first aid. There may even be a few words of encouragement from our friendly checkpoint teams! Please note that the only toilets along the route are at the Glider Club. You will find many of the Shropshire bushes will provide an excellent alternative. There are, of course toilet facilities at the Discovery Centre at the start/finish.

If you have any food allergies, or if you are vegan, veggie or gluten-free, suitable equivalent food will be ready for you. All our food is made by us in-house so you can be guaranteed the same quality and quantity of food as everyone else.
